Yours at Lared

am much pleased with nos 2531 the others  
I am obliged to return to you as I am not  
now in shape to keep them & there I want  
to finish the regular Call first if it is  
possible - I am in want of the following  
6 pries to fill the list - 27-28-29-30-  
44-47- I have all the rest with varieties  
of some of the nos I also have 2 not in  
Hayes myself a perfect die 26 & 56 they  
appear only in both cases of broken dies  
either Obr. Rev. or both I have also a  
peculiar piece Hall's H 51 with seems  
to be that no only it is very crude in work-  
manship - Hair in pocketa very coarse.

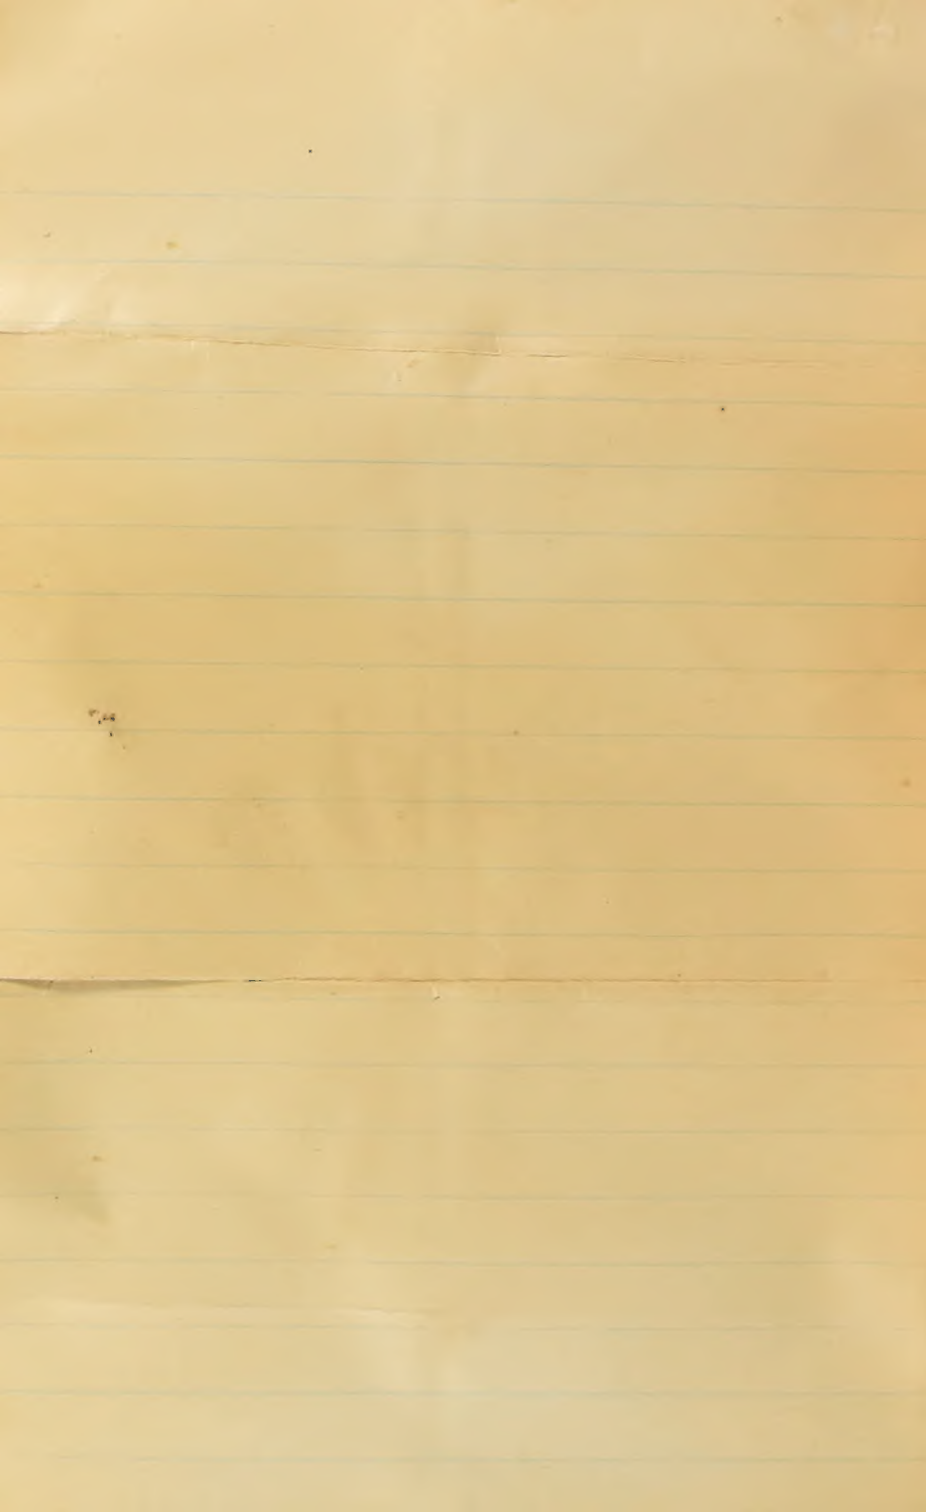

Mr. Charles Stingerwalk of Lancaster  
tells me that there is no Hague 38503  
do you say the same thing, I had which  
I called both but close examination shows  
me to be wrong in my supposition as  
one is without doubt <sup>#</sup>39 rather other <sup>#</sup>54  
I have one to press in my Call of 94<sup>th</sup>  
but am not satisfied and don't know  
I shall be able to satisfy myself, as the  
Nos I want are very hard to get =

Will you kindly let me hear about the  
38-403 <sup>#</sup>1794<sup>th</sup> as if there is no such no  
I want to state it so in my book. I keep  
a record of the 1794<sup>th</sup> and want it accurate  
if possible
